## How to minimise the spread of COVID-19?

It's going to be nice weather this weekend. That's why it's attractive to go outside. Because of the coronavirus, there is an urgent advice **NOT to go outside**. If you do want to get some fresh air please pay attention to the following measures.

A diagram showing two stylized human figures in red. A double-headed red arrow between them is labeled "1,5 m".

Stay at least 1,5 metre away from other persons.  
Also if they are NOT symptomatic!

Wash your hands regularly

Cough and sneeze on the inside of your elbow

Don't shake hands

Take a daily body temperature check  
> 38 degrees Celsius?
